Removal of the Phoenix
The Phoenix, a fine insurance company of London, England, has been removed to the new building at the corner of King and George streets, Hamilton, Ontario. The company has been in business for over 100 years and has a capital of £1,000,000. It is one of the largest and most successful insurance companies in the world. The new building is a fine example of modern architecture and is well equipped with all the latest appliances. The company is now ready to receive business and to insure all kinds of property.
